

Healthcare Designed to Save You Time and Money

We are redefining healthcare by establishing the primary care setting as a convenient one-stop shop to treat most of your healthcare needs, including everything from routine checkups and chronic condition management to urgent needs and mental health services - saving you time and money.

*As a client of Oswald, **City of Brooklyn** employees and eligible family members have access to Everside Health services as part of the medical benefits plan* with Medical Mutual of Ohio.*

WITH EVERSIDE HEALTH, YOU CAN:

-  **Save money.** Most services are low to no-cost**
-  Choose a new Everside Health provider for all your primary care needs and retain your current specialist providers
-  Get care for the entire family, including **pediatrics**
-  Access care when you need it, including **virtual and in-person appointments** at convenient clinic locations with **same or next-day appointments**
-  **Access your care team 24/7** over the phone for urgent needs and avoid expensive trips to urgent care or the ER. Just call your clinic after-hours to be connected to a provider
-  Address multiple health concerns in one visit and **spend as much time as you need** with the provider
-  Gain access to specialized care, including **behavioral health services**
-  Complete lab work onsite**

Schedule your **Welcome Visit** with Everside Health! Your provider will review your health history, answer questions and address any health concerns you may have.

* Not available with HMO plans.
** Certain tests sent to outside labs will be charged to your insurance. H.S.A. plan members may have a small cost share until deductible is met.
